

Sample Contract No. 11-SAMPLE-XX**XX CONTRACT**

THIS CONTRACT is made and entered into between the Fairfield Alabama Housing Authority, a public body corporate and politic, hereinafter referred to as "FAHA," and **Vendor** hereinafter referred to as the "Contractor."

WHEREAS, FAHA solicited proposals from Contractors qualified to provide assistance to FAHA consistent with Attachment A - Scope of Work, attached and made a part of this Contract; and

WHEREAS, the Contractor represents that it is qualified, duly authorized and willing to provide the requested services,

WHEREAS, the Board of Commissioners, by Resolution# **2011-XX** authorized FAHA to contract for services with Contractor

NOW THEREFORE, in consideration of the terms, conditions, covenants and performances contained herein, or attached, incorporated and made a part hereof, the parties hereto agree as follows:

Section 1 - Scope of Work: The Contractor shall perform such services as required by FAHA to complete the work as defined in Attachment A - Scope of Work, and shall provide all labor, materials, equipment, and services necessary to perform and complete in an acceptable manner the tasks contemplated or otherwise required herein. The Scope of Work shall serve as the progress schedule and be used to measure work performed. The Contractor shall also perform in accordance with the Contractors Proposal submitted to FAHA, incorporated herein by reference. Contractor further agrees to comply with the requirements of the appropriate HUD 5370 form attached hereto as attachment C. Any conflicts between the scope of work and the Contractors Proposal shall be referred to FAHA for resolution. FAHA's determined resolution shall be final and binding on all parties.

Section 2 - Time for Beginning and Completion: The Contractor shall not begin any work under the terms of this Contract until authorized to do so in writing by FAHA. All work under this Contract shall be completed between the date authorized to begin work and the completion date specified in Attachment B – Terms and Conditions, attached and made a part of this Contract. The established completion time for the tasks and the entire contract period shall not be extended because of any delays attributable to the Contractor but may be extended by FAHA in the event of a delay attributable to FAHA, or because of unavoidable delay caused by an act of God or governmental actions or other conditions beyond the control of the Contractor. Any extension agreed upon by the parties must be in writing, signed by both parties, and incorporated as a Change Order to this Contract.

Section 3 – Payments: The Contractor agrees to perform all of the work set forth in Attachment A – Scope of Work for an amount not to exceed the Contract Amount specified in Attachment B – Terms and Conditions hereto. Such compensation shall constitute full and complete payment for work performed and/or services rendered and for all supervision, labor, supplies, materials, equipment or use thereof, and for all other expenses and incidentals necessary to complete all of the work. It is understood that this is a fixed amount and will not be increased because of any difference between the estimated and actual costs of performing the work required by this Contract.

The basis of payments (hourly rate, lump sum, etc.) is also specified in Attachment B. Payments shall be made up to the Contract Amount upon receipt of invoices and progress reports prepared by the Contractor and

submitted to FAHA not more often than monthly for the duration of the Contract. Payment of any amounts due under the Contract shall not relieve the Contractor of the obligation to perform all the work set forth in Attachment A – Scope of Work in a satisfactory manner.

Invoices must include the following information: invoice date and number; FAHA's Contract number; the Contract title; the period of time for which services are being invoiced; a detailed description of the work performed for which payment is requested; and an itemization of reimbursable expenses. Documentation must be attached for reimbursable expenses as follows: backup documentation for any reimbursable expense items being invoiced that total \$250.00 or more, and sub-Contractor invoices, regardless of the amount. All payments shall be processed by FAHA within (30) days after accurate billing and backup documentation are received by FAHA. Invoices shall be mailed to the attention of FAHA's Project Manager as specified in Attachment B hereto.

Section 4 - Restrictions upon transfer: The Contractor shall not assign or subcontract any of its rights or obligations under this Contract or subcontract, or transfer any services, obligations, or interest in this Contract unless the Contractor's intent to issue such assignment or subcontract was included in the Contractor's application or plan to provide services or is specifically approved in writing by FAHA, as referenced in Attachment B. Any such approved assignment or subcontract shall be subject to each provision of this Contract and any procurement procedures required by FAHA, the State of Alabama, or the United States. In the event of any approved subcontract, FAHA shall continue to hold the Contractor responsible for proper performance of the Contractor's obligations under this Contract.

In the event that the Contractor enters into a subcontract for work or services to be provided under this Contract, the Contractor shall cause all applicable provisions of this Contract to be inserted in all its subcontracts.

Section 5 – Substitutions: The Contractor's key personnel identified in Attachment B to this Contract are considered to be essential to the work effort. Prior to diverting or substituting any of the specified individuals, the Contractor shall notify FAHA reasonably in advance and shall submit justification, including proposed substitutions, in sufficient detail to permit evaluation of the impact on this Contract. Any proposed substitute must have qualifications equal to or better than the key personnel that are being replaced. No diversion or substitution of such key personnel shall be made by the Contractor without the prior written consent of FAHA.

Section 6 – Disputes: Any disputes or misunderstandings that may arise under this Contract concerning the Contractor's performance shall first be resolved through amicable negotiations, if possible, between the Contractor's Project Manager and FAHA's Project Manager indicated in Attachment B, or if necessary, shall be referred to FAHA's Executive Director and the Contractor's senior executive(s). If such parties do not agree upon a decision within a reasonable period of time, the parties may pursue other legal means to resolve such disputes, including but not limited to, alternate dispute resolution processes.

This Contract shall be construed and interpreted in accordance with the laws of the State of Alabama. The venue of any action brought hereunder shall be in Jefferson County, Alabama District Court.

Section 7 - Compliance with Laws: In performing the work and providing the services under this Contract, the Contractor shall comply with all applicable laws of the United States, the State of Alabama; and the City of Fairfield; and the applicable rules, regulations, orders and directives of their administrative agencies and officers thereof. Such provisions are included, but are not necessarily limited to:

A. Anti-lobbying Certification: No Federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence any officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an officer or employee of a Member of Congress in connection with a Federal contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL "Disclosure Form to Report Lobbying," in accordance with its instructions.

The Contractor further agrees to include the language of this certification in the award documents for subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients and subcontractors shall certify and disclose accordingly.

B. Nondiscrimination/Equality of Opportunity: The Contractor shall comply with applicable non-discrimination and equal opportunity provisions of the laws and regulations of the United States, the State of Alabama, and the City of Fairfield.

C. Compliance with Federal Section 3 Requirements: In order to meet FAHA's goal of economic opportunity for lower-income persons, the Contractor agrees to abide by the terms and conditions of this Section, established pursuant to the provisions of Section 3 of the Housing and Urban Development Act of 1968, as amended 12 U.S.C. 1701u (hereinafter referred to as "Section 3").

1. The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
2. The parties to this Contract shall comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
3. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in a conspicuous place at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

4. The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
5. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR part 135.
6. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD-assisted contracts.
7. With respect to work performed in connection with Section 3-covered Indian Housing Assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this Contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this Contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).
8. If the Contractor is a Section 3 business and was selected by FAHA based on evaluation points assigned under the Section 3 business preference requirements of the solicitation for committing to subcontract more than 25% of the dollar amount of all subcontracts to Section 3 businesses, the Contractor agrees to meet the Section 3 subcontracting commitment. Failure of the Contractor to fulfill the Section 3 subcontracting commitment shall be deemed a material breach of contract, which may result in
9. FAHA taking any or all of the following actions: (1) demanding specific performance of the subcontracting plan; (2) withholding from contract payments the dollar amount of any or all subcontracts that were to have been awarded to Section 3 businesses or such lesser amount as may be appropriate, (3) withholding any liquidated damages that FAHA may incur as a result of the Contractor's failure to comply with its Section 3 commitment and subcontracting plan; and (4) declaring the Contractor ineligible to compete for, or participate in, any FAHA contract for a period of five years from the date of close out of the contract in which the Section 3 subcontracting commitment was made.

D. Clean Air and Water: On federally-funded contracts in excess of \$100,000, consistent with the provisions of 24 CFR 85.36(i)(12), the Contractor shall comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). These provisions shall also apply to any subcontract of the Contractor in excess of \$100,000.

E. Energy Efficiency: When applicable, the Contractor shall comply with all standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163) for the State in which the work under this Contract is performed.

SECTION 8 - EXTRA WORK: FAHA may desire to have the Contractor render services in connection to this project in addition to the items specified in Attachment A - Scope of Work. Such services shall be considered to be extra work and will be specified in a Change Order to this Contract, which shall set forth the nature and scope of the additional work as well as the level, maximum amount and methods of compensation to the Contractor for the additional work to be performed. Such additional services shall not be initiated until a Change Order authorizing such work is executed.

In the event that FAHA may desire to have the Contractor render additional services, the Contractor shall provide supporting cost information in sufficient detail to permit FAHA to perform the required cost or price analysis required pursuant to 24 CFR 85.36 (f) prior to the issuance of a Change Order for such services.

SECTION 9 – INDEMNIFICATION: The Contractor agrees to indemnify and hold FAHA, its agents, employees and Commissioners harmless from any and all suits, claims, costs, including claims for wages and employment benefits, taxes or liabilities of any sort, including costs and expense for, or on account of injuries or damages arising from acts or omissions of the Contractor committed in connection with the services to be provided pursuant to this Contract. If an action is brought against FAHA, which action arises from services provided pursuant to this Contract, the Contractor shall, upon notice, defend same at its sole cost. The Contractor agrees that its obligations under this paragraph extend to any claim, demand, and/or cause of action brought by or on behalf of any of its employees or agents.

SECTION 10 – INSURANCE:

A. General Requirements:

1. Prior to undertaking any work under this Contract, the Contractor shall procure and maintain continuously for the duration of this Contract, at no expense to FAHA, insurance coverage as specified below, in connection with the performance of the work of this Contract by the Contractor, its agents, representatives, employees and/or subcontractors.
2. The Contractor's insurance shall be primary as respects FAHA, and any other insurance maintained by FAHA shall be excess and not contributing insurance with the Contractor's insurance.
3. Except with respect to the limits of insurance, and any rights or duties specifically assigned to the first named insured, the Contractor's Commercial General Liability and Commercial Automobile Liability insurance coverage shall apply as if each named insured were the only named insured, and separately to each insured against whom claim is made or suit is brought.
4. Failure of the Contractor to fully comply with the insurance requirements of this Contract will be considered a material breach of contract and, at the option of FAHA, will be cause for such action as may be available to FAHA under other provisions of this Contract or otherwise in law, including immediate termination of the Contract.

B. Required Insurance Coverage: The following are the types and amounts of insurance coverage that must be maintained by the Contractor during the term of this Contract. The Contractor must provide acceptable evidence of such coverage prior to beginning work under this Contract.

In the event that the services to be provided under this Contract involve the Contractor's contact with minor children, the Contractor shall provide evidence that sexual misconduct coverage has not been excluded from the policy and is covered under the policy. Acceptable evidence of sexual misconduct coverage must include an endorsement and policy excerpt(s) and is subject to approval by FAHA.

Coverage should be for a professional error, act, or omission arising out of the scope of work as described in Attachment A – Scope of Work, with the following minimum coverage:

N/A per Claim/Aggregate

If the Professional Liability Insurance policy is written on claims made form, the Contractor warrants continuation of coverage, either through policy renewals or the purchase of an extended reporting period ("tail") for a minimum of three years from the date of completion of the work authorized by the Contract. In the event that the Contractor is authorized to engage subcontractors, each subcontractor shall provide evidence of separate professional liability coverage equal to the levels specified above, unless such requirement is waived in writing by FAHA.

5. Workers Compensation. A policy of Workers Compensation. As respects Workers Compensation insurance in the State of Alabama, the Contractor shall secure its liability for industrial injury to its employees in accordance with the provisions of Alabama law. If the Contractor is qualified as a self-insurer in accordance with the Contractor shall so certify by a letter signed by a corporate officer, indicating that it is a qualified self-insured, and setting forth the limits of any policy of excess insurance covering its employees, or any similar coverage required.

C. Additional Insured Endorsement: The Fairfield Housing Authority must be named as an Additional Insured on a primary and non-contributory basis on all Commercial General Liability policies of the Contractor. A policy endorsement must be provided to FAHA as evidence of additional insured coverage.

D. Proof of Insurance and Insurance Expiration:

1. The Contractor shall furnish certificates of insurance and policy endorsements as evidence of compliance with the insurance requirements of the Contract. Such certificates and endorsements must be signed by a person authorized by that insurance company to bind coverage on its behalf.
 2. The Contractor shall include all subcontractors at any tier as insureds and ensure that the Contractor's coverage of subcontractors under the Contractor's policies is not excluded by any policy provision or endorsement. Alternatively, the Contractor shall:
 - a. Obtain from each subcontractor not insured under the Contractor's policy or policies of insurance, evidence of insurance meeting all the requirements of this Contract, and
 - b. Maintain such evidence on file for a period of one year after the completion of this Contract and, upon request, submit such evidence to FAHA for examination.
 3. The Contractor's insurance shall not be reduced or canceled without thirty (30) days prior written notice to FAHA. The Contractor shall not permit any required insurance coverage to expire during the term of this Contract.
 4. FAHA reserves the right to require complete, certified copies of all required insurance policies at any time during the term of this Contract, or to waive any of the insurance requirements of this Contract at its sole discretion.
- E. Carrier Review and Approval Authority: Insurance policies, deductibles, self-insured retentions, and insurance carriers will be subject to review and approval by FAHA. All insurance shall be carried out with companies that are financially responsible. Section 12 - Project Management: This project shall be managed for FAHA by the person specified in Attachment B to this Contract, who shall either directly or indirectly through such others as are designated in writing by the Project Manager provide direction to the Contractor in performing the work of this Contract.

Section 13 - Status of Contractor and Employees:

- A. Non-Representation: Neither the Contractor, the Subcontractor, employees, agents, or volunteers of the Contractor or Subcontractor, shall be deemed or represent themselves as employees of SHA or the grantor funding this project on account of the services performed in connection with this Contract.
- B. Involvement of Former FAHA Employees: The Contractor agrees to inform FAHA of any former FAHA employee who terminated FAHA employment in the last twelve (12) months prior to execution of any project specific contract, and who will be working on or subcontracting for any of the work. The Contractor further agrees that no work will be done by a former FAHA employee who terminated FAHA employment in the last twelve (12) months prior to execution of any project specific contract, and who, in the course of official FAHA duties, was involved in, participated in or acted on any matter related to this Contract.
- C. No Conflict of Interest: The Contractor confirms that the Contractor does not have a business interest or a close family relationship with any FAHA employee who was, is, or will be involved in the Contractor selection, negotiation, drafting, signing, administration, or evaluating the Contractor's performance. As used in this section, the term "Contractor" shall include any employee of the Contractor who was, is, or will be involved in the negotiation, drafting, signing, administration, or performance of the Contract. Section 14 - Termination for Convenience and Default:

- A. FAHA may terminate this Contract in whole, or from time to time in part, for FAHA's convenience or the failure of the Contractor to fulfill the contract obligations (default). FAHA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to FAHA all information, reports, papers, and other materials accumulated or generated in performing this Contract, whether completed or in process.
- B. If the termination is for the convenience of FAHA, FAHA shall be liable only for payment for services rendered before the effective date of the termination.
- C. If the termination is due to the failure of the Contractor to fulfill its obligations under the Contract (default), FAHA may (1) require the Contractor to deliver to it, in the manner and to the extent directed by FAHA, any work as described in subparagraph A(2) above, and compensation be determined in accordance with the Extra Work section of this Contract;

- D. If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been affected for the convenience of FAHA, and the Contractor shall be entitled to payment as described in paragraph B above.

E. Any disputes with regard to this section are expressly made subject to the terms of the Disputes section of this Contract.

Section 15 – Ownership: All records, reports, documents and other materials produced in connection with or provided to FAHA under the terms of this Contract shall become the exclusive property of FAHA, and shall not be reproduced by or used by the Contractor without the express written consent of FAHA.

Section 16 – Royalties and Patents: The Contractor shall pay all royalties and license fees. It shall defend all suits or claims for infringement of any patent rights and shall save FAHA harmless from loss on account thereof; except that FAHA shall be responsible for all such loss when a particular design, process or the product of a particular manufacturer or manufacturers is specified and the Contractor has no reason to believe that the specified design, process, or product is an infringement. If, however, the Contractor has reason to believe that any design, process or product specified is an infringement of a patent, the Contractor shall promptly notify the Project Manager. Failure to give such notice shall make the Contractor responsible for resultant loss.

Section 17 – Audits and Records Retention:

- A. FAHA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this Contract, have access to and the right to examine any of the Contractor’s directly pertinent books, documents, papers, or other records involving transactions related to this Contract for the purpose of making audit, examination, excerpts, and transcriptions.
- B. The Contractor agrees to include in first-tier subcontracts under this contract a clause substantially the same as in paragraph “A” above. “Subcontract,” as used in this clause, excludes contracts not exceeding \$10,000.
- C. The periods of access and examination in paragraphs A and B above for records relating to litigation or settlement of claims arising from the performance of this Contract, or costs and expenses of this Contract to which FAHA, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such litigation, claims, or exceptions.

Section 18 – Renewals and Extensions: The Board of commissioners of the Fairfield Housing Authority hereby awards a (1) one-year contract, with four (4) one-year options to renew upon Board approval the parties may mutually agree to extend the Contract. Upon the completion of this contract extended date, this contract will expire unless the parties execute a Change Order, extending the term of the Contract.

Section 19 - Complete Contract and order of Precedence:

This Contract (including Attachments to the Contract or documents incorporated by reference), together with FAHA’s solicitation materials (including attachments thereto), and the Contractor’s response to the solicitation, (the “Documents”), contain all covenants, stipulations and provisions agreed upon by the parties. In the event of inconsistencies or conflicts in the language between the Documents, the order of precedence shall be determined by FAHA. FAHA shall resolve and interpret the conflicts in manner that does not violate applicable HUD requirements and are consistent with HUD requirements. No agent or representative of either party has authority to make, and the parties shall not be bound by or be liable for any statement, representation, promise or agreement not set forth herein. No changes, amendments, or modifications of the

terms hereof shall be valid unless reduced to writing and signed by the parties as a Change Order to this Contract.

Section 20 - Execution and Acceptance:

This Contract may be simultaneously executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The Contractor does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements contained in this Contract.
